SERMON NOTES

John 20:19-31

Who didn't believe when they were told Jesus was alive?

What did it take for Mary to believe?

What did it take for the 10 disciples locked in a room to believe?

What did it take for Thomas to believe?

What was Jesus' most common statement during all of this?

When we share about our faith, we should be willing to provide proof/evidence (from our own lives) and we should bring peace with us.
