We Welcome Our Guest From Madison Youth Ranch

The Madison Youth Ranch was opened in 2014 and offers children a rural, country setting in which they can roam, play, and heal. One of the outstanding programs at the Youth Ranch is the Equine Assisted Psychotherapy (EAP) program with the assistance of Pinky and Sugar, our resident horses. The Stickney Stable, dedicated on July 10, 2015 makes a wonderful addition to the scenic pastures and completes an ideal location for the children and horses.

The EAP program helps children develop healthy relationships and a strong work ethic, as well as overcome fears, build teamwork, and much more. A child's response to the horses can also provide excellent insight into the child's opinions of self and of others, especially authority figures.

In May of this year, the Youth Ranch dedicated the Margaret R. Scully Aquatic Center, featuring a pool for the children to enjoy on those hot summer days. Ground was also broken on two new buildings, the Chapel and the Counseling and Support Services Center.

The Chapel will be where the children will attend Sunday services, and will include space for music and other activities. Currently, the children attend a local United Methodist Church for services. The Counseling and Support Services Center will provide the necessary space for our therapist to meet with and treat the children residing at the Youth Ranch, including individual and group sessions. The building will also provide space for tutoring, a clinic, group meeting room, and a tornado safe room in case of inclement weather.

Summer Outreach Opportunities

Madison Youth Ranch: Some children will be leaving and others coming in to the ranch. The most asked for item for school is the Trapper Keeper! It helps them stay organized while protecting their folders for school work.

Other items needed are:

- Bath towels, bath cloths and hand towels
- Twin sheet sets and pillows and pillow cases
- 16 to 18 items of each category are needed.

Please place donated items in the designated container. Let's see what we can do for these children and visit them before the end of August.

...also

We are participating in **Faith Radio's Used Christian Literature Drive**. Flyers are at the back of the church listing acceptable items to be sent to countries around the world that have no means to purchase such. Collection will run throughout July and will be delivered to the Faith Radio station.
