What voices do we hear other than God's?

The voices of this world lead to:

The voice of God leads to:

World:

If you and I are different,
then one of us has to be wrong.

It's you or me.

I only have this much to use.

If I help you, I won't have enough.

God:

If you and I are different,
we can be stronger together.

It's you and me.

I have all I need.

If I help you, we'll both have
enough.

This Week's Challenges
