Adult and Teen Challenge USA works on a holistic model of drug and alcohol recovery. This means that we are concerned with the body, mind, and spirit of those who come to our addiction recovery centers. We endeavor to help people become mentally sound, emotionally balanced, socially adjusted, physically well, and spiritually alive.

We, at Adult and Teen Challenge USA, are confident that a restored relationship with God, through Jesus Christ, can transform those who suffer from addiction into vibrant, free, and sober followers of the Lord.

We base the curriculum and community of our addiction recovery centers on God's Word—the Bible. Addiction recovery centers that offer practical, appropriate, and accessible Bible-based courses facilitate the transition from alcoholism and substance abuse to a life of freedom in Christ. At Adult and Teen Challenge USA, we offer a chance to start over, become a new person, live a godly life, and find freedom through a restored purpose and an eternal hope. We do this through classes, individual study, personal mentoring, work ethics training, and involvement in the Christian community.

Addiction destroys more than just the body, so it should be no surprise that Adult and Teen Challenge USA's addiction recovery centers consider all aspects of their students' lives. Because addiction starts as a way to fulfill a void that only God can fill, a strong relationship with the Lord is foundational to our program. We construct this foundation in our students by teaching them the Word of God and by placing them in an environment where they can bond with other growing disciples.

The staff always looks forward to the treats from Chaires UM Church. The United Methodist Women provide fruit, crackers, cheese, and trail mix, but we count on you to share yummy homemade goodies. For more info see Susan Capelouto (878-1336)
