Unafraid: Apocalypse, Change, Missing Out, and Finances

Texts: Revelation 21:1-4
Ecclesiastes 2:11
Matthew 6:19-21

Do you worry about the world ending or about conditions becoming unbearable in the near future?

Do you fear change? Does this stop you from experiencing God's greatness in new ways?

Are you worried that you are missing something amazing (maybe that other people have)?

Do you worry about finances?

How can you:

Face your fears with faith;

Examine your assumptions in light of the facts;

Attack your anxieties with action; and

Release your cares to God
about your specific worries?

Prayer

Almighty God, the world is so frightening sometimes and I forget that the things that make me afraid should not rule me. Help me to keep my fears in check. Give me peace about the state of the world, and help me to make it a better place for you. Help me to embrace change when that change will help me or others grow closer to you. Help me to be content with what I have and to live my own life rather than being jealous of others. And guide me in my stewardship of finances that I would honor you in where I use my treasure. I love you, Lord. Amen.
