When you give on Peace with Justice Sunday, your gift makes possible our critical kingdom work in the world.

Because you give:

- Methodists spearhead a peace ministry uniting Arizona border communities
- United Methodists in Liberia are being equipped to implement the denomination's Social Principles to address social-justice issues
- Pennsylvania students are educating their community about sex-trafficking at home and abroad

These initiatives, and hundreds of other ones, are possible because you give.

## Unafraid: Aging, Illness, and Dying

Texts:

Acts 2:17

Psalm 146:2

Matthew 6:27

Psalm 23:4

What concerns you most about aging?

Do you worry about being ill?

Does death frighten you?

How can you:

Face your fears with faith;

Examine your assumptions in light of the facts;

Attack your anxieties with action; and

Release your cares to God  
about your specific worries?

Prayer

Almighty God, you made me so that I would grow from baby to child to adult. You made me so that I would grow and adapt and be able to deal with many illnesses. You also made my body finite, so that one day it will stop working and I will die. Please help me as I deal with anxiety around aging, illness, and death. I want to honor you in how I live, even when dealing with these realities. Help me to trust that you are with me at all times, in all circumstances.  
Amen.
